

Call for Abstracts: University of Arizona Global Health Forum Annual Conference

“Cultural Competency: Considerations for Sustainable Health, Technology, and Education Program Development in Global, Border, and Rural Health”

The University of Arizona Global Health Forum Annual Conference invites all persons wishing to report (1) **original research**, (2) **innovative projects**, or (3) **novel programs** related to global, border, or rural health to submit abstracts to be considered for presentation. Abstracts detailing projects with initial data but awaiting final results are eligible. Students (graduate and undergraduate), faculty, and staff of the University of Arizona with education implementation projects and institutional partnership projects from are also encouraged to apply.

Date and Venue

March 28-29 – 2014, Kiewit Auditorium, University of Arizona’s Arizona Cancer Center, and DuVall Auditorium, UAMC
Tucson, Arizona

Poster presentations will take place Friday evening during the conference pre-reception, 6-8 PM

Guidelines

All abstracts will be submitted online and are to contain no more than 2500 characters describing research objectives, materials and methods, and results and conclusions if applicable - submissions detailing in-progress projects are appropriate. Successful applicants will be required to highlight the significance of their work in a clear and concise manner.

Important Dates

March 1, 2014 - Online abstract submission deadline.

Week of March 10, 2014 – Notification of acceptance/rejection and poster specifications sent to authors of accepted work.

Online Abstract Submission Form

All abstracts should be submitted online at:

<http://globalhealthaz.org/abstracts-1.html>
